

Dear Parents and Families of Brier Elementary,

The fifth grade students of Mrs. Bollen, Mrs. Gray and Mr. Overleese are having a car wash to raise money for scholarships and to reduce the cost of 6th grade camp this coming fall.

In order for the carwash to be successful, we need you to bring by your dirty cars, truck, bicycle, riding lawnmower, whatever needs washed and make a donation to support 6th grade camp. All proceeds will be used to provide scholarships and reduce the cost of camp.

If you are a fifth grade parent and have not yet signed up to work a shift, please stop by our camp information table that will be in the gym during the Parade of States on June 4th to sign up. We still have many shifts that need to be filled. The week of June 1st we will be making signs for the car wash during lunch recess with the 5th grade students. If any 5th grade parents/grandparents are available to come by and help make signs that would be great! If you are unable to do the car wash, making signs would be a great way to participate.
