

Our school is excited to have PJ Haarsma visit our intermediate students on Monday, October 13. Haarsma is a science fiction author and the founder of The Kids Need to Read Foundation. There will be a lively 45 minute assembly. He will share how he writes, about the genre of science fiction, and why reading is important. Students will have the opportunity to get copies of PJ's Softwire series books autographed. To purchase a copy of his book, please complete the form below. This event is sponsored by Third Place Books in Lake Forest Park. For more information, contact your school librarian.
