

## **K-5 Math Materials Review: an opportunity for parents**

**WHO:** Parents of K-5 students

**WHAT:** A look at the K-5 Math Materials under Review by Edmonds School District

**WHEN:** Wednesday March 19, 2008  
4:00 - 8:00 pm (come for 1 & 1/2 hours)

Beginning at 5:00 and repeating until 7:30 each publisher will do a half hour presentation about the parent-home connections AND the development of calculation skills in their programs.

In any 1.5 hours you can hear all 3 publishers discuss their products.

**WHERE:** OLD EWS aka Home School Resource Center  
23200 100th Ave W Edmonds, WA 98020

From I-5, exit #177 (N.E. 205th), turn right (W). Continue west on N.E. 205th (Follow signs for Ferry/Hwy 104 (West)). "Y" to the right (becomes Edmonds Way). Continue on Edmonds Way, turn left at 100th Ave W. Turn right at next signal.

**WHY:** The district values parental input regarding the selection of materials for teaching mathematics in grades K-5. Please come and let us know your feelings and impressions.

**CHILD CARE WILL BE AVAILABLE**  
**SPANISH LANGUAGE TRANSLATION WILL BE AVAILABLE**

### **OTHER OPPORTUNITIES:**

March 25, 26, & 27 from 3:30-6:30 the materials will be available at OLD EWS for review. No publishers will be present and no presentations are planned. District Lead Teachers will be available to answer questions. These are casual drop-in and study sessions. No child care or translation services will be available on these dates.
