

WEB SITE POSTING: PARENTAL/GUARDIAN CONSENT FORM

We are sending you this parental consent form to both inform you and to request permission for your child's photo image and/or video project and personally identifiable information to be published on the district and/or school's web site.

As you are aware, there are potential dangers associated with the posting of personally identifiable information on a web site since global access to the Internet does not allow us to control who may access such information. These dangers have always existed: however, we as schools do want to celebrate your child and his/her work. The student works sections of the web site will be one avenue to showcase our students' work, along with providing information to the Madrona community about building events and student achievements.

We will not release any personally identifiable information on our web site without prior written consent from you as parent or guardian. Personally identifiable information includes student last names, residential addresses, e-mail address, phone numbers and locations and times of class trips.

If you, as the parent or guardian, wish to rescind this agreement, you may do so at any time in writing by sending a letter/email to Monica Edwards, effective upon receipt by the school.

Check one of the following choices:

- I/We GRANT permission for a photo/image/video that includes this student without any other personal identifiers other than first name to be published on the Madrona's public Internet site as long as my child is attending Madrona.
- I/We DO NOT GRANT permission for a photo/image/video that includes this student without any other personal identifiers other than first name to be published on the Madrona's public Internet site as long as my child is attending Madrona.
