

MENU CHOICES

EVALUATION:

Evaluation will be based entirely on effort, use of class time and presentation (being prepared!). Presentation should be approx. 4 minutes in length and may be informal in nature, but an organized and fully prepared presentation of the process and project. (ie: Show us what you did, explain what you learned, what was challenging and what you would still do if you had more time.)

Name: _____

Project: _____

Class effort: /4 (x3) =

Project complexity /4 =

Presentation /4 =

Written Reflection /4 =

Total /25
