This is a **basic** list of supplies your child will need to use when school starts again, **Tuesday, September 8, 2009**. We are hoping that with this list in hand, you will be able to take advantage of the "back to school" sales, and only purchase items that will be necessary. Whenever possible, it is very important that all items be permanently labeled. After school begins, individual teachers may send home requests for additional items specific to their classroom needs, but the items on this list should get each student off to a good start the first week.

**HAVE A GREAT SUMMER!**
