## Auto Tech Introductory Unit – Part 2

### Auto Tech Unit Activities Check Sheet – Version 1.1

No.	Activity Description	Date	Percent	Your Initials
1.	<b>Video Notes on <i>For Years to Come</i> – Video 3:</b> (15%) View Chrysler Corp. Video and take more than one-half page of single spaced notes in list or outline format. Your notes should reflect the process of automobile manufacturing and can include names of jobs and careers highlighted in the video. (26:00 min.)		15?	
2.	<b>Read Chapter 2 - <i>Working in the Automotive Service Industry</i>:</b> (10%) Carefully and completely read Chapter 2 (pp. 11-17) in your WAM* book. Also, study all the pictures and diagrams. (You must do #3, the Qs & As, to get credit for #2, the reading.)		10?	
3.	<b>Do Chapter 2 Q's &amp; A's:</b> (10%) Do Chapter Review questions and answers at the end of Chapter 2 (p. 17, #'s 1-10). <b>Use a piece of notebook paper, write Q: write out the question, next open line write A: write out the answer, and then leave a space between that answer and the next question. SEE REVERSE SIDE for INSTRUCTIONS on how to do the Q, A, Space form.</b>		10?	
4.	<b>Internet Car Components Assignment:</b> (40%) Do this assignment per class instructions. Complete 4 or more sections for full credit including pictures and <b>all text answers requested</b> . Do additional sections for extra credit.		40?	
5.	<b>Car Part Categorizing Study Guide:</b> (20%) Do this assignment per class instructions. Also, do any other assignments for this unit as available.		20?	
6.	<b>Other Assignments as Assigned:</b> (?%) Do any other assignments for this unit as available and assigned.			
7.	<b>Neatly Assembling Your Work For Turning In:</b> (5%?) <u>Very Neatly Assemble</u> The Papers Above In The Correct Order (2 – 6 above) And Staple Neatly To This Sheet to earn this 5%. <b>Place your individual self-assessment percents in boxes and the unit total at the top above. No 5% if used any fuzzy spiral notebook paper.</b> (Always try to buy and use regular 8 ½" x 11" notebook paper rather than the smaller, inferior 8" x 10 ½" size.)		5?	
8.	<b>Take Unit Quiz:</b> (graded separately) Review your work and take Unit Quiz when given.		--	

\* WAM = Webster's Auto Mechanics

## How To Do Q, A, Space Form

### Instructions:

1. Use 8-1/2" x 11" notebook paper.
