DRAFT AUTOMOTIVE SYSTEMS UNIT - Part B: Presentation

Auto Tech Unit Activities Check Sheet on Teaching & Application (1 per team)

Our System: _____

No.	Activity Description	Completion Date	1st Member Percent	2nd Member Percent	Initials
1.	Part A Complete (?%): Complete all automotive systems research on your system. Complete all of Part A and turn in parts required.				
2.	Pick Your Presentation Time (?%): Pick your presentation day and time when it is time for the great presentation time lottery.				
3.	Learn Qualities of Excellent PowerPoints (?%): Study qualities of a good PowerPoint on Mr. C's Web site and on any demonstrations given in class.				
4.	Decide PowerPoint Slide Style (?%): Review possible PowerPoint styles and create or pick one that meets the requirements of an excellent PPT.				
5.	Create the 10 Big Title Slides (?%): Learn the 10 Big Title slides in class and create them for your presentation.				
6.	CDX Videos Included (?%): Locate your CDX Videos and include them in your presentation.				
7.	Complete Your PowerPoint (?%): Complete your team's PowerPoint by "fleshing out" your 10 big title slides with the various information items that you learned in your 8 big Questions work sheet. Be sure to include as many pictures as you can. Never have more than one picture per slide so that each picture can easily be seen in the back of the room, please.				
8.	Practice Your Presentation (?%): Prepare your presentation note cards, practice your presentation, and be ready for your presentation time & date. Also try to track down some actual parts for your presentation.				
9.	Presentation (?%): Teach the rest of the class about your system through your PowerPoint presentation on your scheduled day and time.				
10.	Take Study Notes on Every Presentation (?%): Take good notes on every presentation that is given by students or the instructor.				
11.	Take Quizzes (?%): Take both quizzes: One on your system and one on all the systems listed on research guidelines.		---	---	
12.	This Check Sheet Turned In (5%): Include all above parts in order (but #4 and #5) and STAPLE THEM NEATLY to this check sheet and place total percent at top to the right of your name. 0% here if you include any fuzzy spiral notebook papers.
