**MTHS CAD Drafting
SELF-ASSESSMENT SCORING GUIDE
For Units 05 - 22**

Unit #: _____ Unit Title: _____

**GRAND TOTAL
SCORE HERE**

Main skills learned in this unit: _____

Directions: Score each part of your work by writing a number in each box based on the listed points, write the drawing totals in the bottom boxes, and include the grand total in the top box.

	<u>Plate 1</u>	<u>Plate 2</u>	<u>Plate 3</u>	<u>Plate 4</u>
1. Layout: Correct 3-view / orthographic projection:				
• Views in proper position (T.F.S.) (Views projected properly) 1 point	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
• Spacing between views (Views centered in title block) equal ... 1 point	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
• Top, Front, and Side views complete (Includes all hidden lines) 1 point	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
• Drawing complete & accurate (All layers used and correct) 2 points	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
2. First and last name in the title block (all CAPITALS) 1 point	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
3. Scale, plate, and period are filled in correctly (all CAPS w/ correct Figure # & Title) 1 point	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
4. Title Block (border) fills entire page (Correctly printed in listed scale) 1 point	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
5. Dimensioning properly applied (OVER) (Centerlines ¼" beyond the circular parts) 1 point	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
6. LTSCALE Correct 1 point	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
INDIVIDUAL DRAWING TOTALS	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

NEATLY staple your drawings to this sheet IN ORDER with the lettering on the RIGHT.
(Instructor can do this for you but it will cost you up to **2 points.**)

NEXT ADD TOTALS AND WRITE THAT NUMBER IN THE TOP GRAND TOTAL BOX.
(Instructor can also do this for you but it will cost you up to another **2 points.**)
